

Eunioia Family Resource Center is Recruiting Behavioral Health Professionals

We are looking for a few select, licensed or licensed-able, professionals to join our clinical team. Eunioia Family Resource Center, PA, has been providing high-quality outpatient mental health services since 2008 and has expanded into seven locations in southern Minnesota. We provide comprehensive billing, marketing and administrative services, leaving you free to focus on client care and your family needs.

We currently offer individual, couples and family therapy, as well as psychological testing and psychiatric services. As a small company, we provide flexibility and are open to each clinician's input regarding their patient base. We enable the professional to have a high level of control while functioning successfully in an organization.

Now that you know a little about us, we'd like to know something about you. If you are interested in becoming part of our group, please fax a cover letter and resume to (507) 235-6074 or e-mail eunioia.mc@gmail.com.

Sincerely,
Ramie Vetter, Psy.D., LP
CEO, Eunioia Family Resource Center
